PRESIDENT: Are there any corrections to the Journal from the floor? The Journal will stand. The chair would like to announce that after yesterday's session we did some research on the rules regarding Select File and amendments there to. We've come to the conclusion that the matter between a voice and a machine vote is probably discretionary and because it has been the tradition of this body and because the vote is rather mechanical that the chair will use its discretion by and large to call for a voice vote. At any time, a member can demand a record vote, machine vote, and, of course, if the chair is in doubt, the chair can also call for a subsequent machine vote. Since we have a break, I would also like to welcome some 50 4th graders from Huntington Elementary School here in Lincoln. Senator Barnett asked me to make this announcement and we do welcome all you young people from Huntington Elementary School. Thank you for coming. Petitions and memorials.

CLERK: None, Mr. President.
